Shipment of 15 boxes to evangelists and churches in Venezuela June 2023

These boxes are on the pallet in the center. The picture was taken at the Miami warehouse of the shipper and the boxes are already on their way to Venezuela. They contain:

27,469 tracts of 11 different titles, with local data imprinted on each, for 8 congregations in Venezuela.

A substantial amount of clothing, especially shoes.

One electric bike obtained on Amazon at about one-half the original cost, for evangelist Daniel Andarcia, of Carúpano, Venezuela, who wore out the bicycle previously provided him, not to speak of his legs and feet, in his efforts to bring spiritual sustenance and material support for groups of Christians in different places.

Funds administered by the West Broward Church of Christ, Plantation, FL, covered the cost of the electric bike and shipment of this pallet.

In the queue for printing are 35,200 tracts of numerous titles to be prepared, Lord willing, with local data imprinted on each one, for 10 additional congregations in Venezuela.

Four shipments to other places of tracts with local data imprinted, all in Spanish.

Park Gardens church, San Juan, Puerto Rico	5,897
Yorito, Yoro, Honduras church	4,195

These were requested by, and shipped to, Alan Maldonado, in Hempstead, NY, who will include them in shipments of other materials he will send to Honduras at a moderate cost, for an evangelistic work planned for Yorito in October of this year.

Hempstead, NY church.....	1,000
Las Vegas, NV church.....	5,600

Of which 3,600 were printed with local data.

For records of production, we are registering the accurate folder count.
