

## Special Report from Dewayne Shappley

### Results of ONE DAY of Internet Evangelism and Spiritual Instruction

The One Day is Friday, August 2, 2024

Focusing on the study: “...*an IDOL IS NOTHING in the WORLD.*”

A 9-to-10-minute read. The entire text, with two video clips and two graphics on the **Home Page**. Internal links to relevant studies. The Plan of Salvation fully stated at the end, after 7 small blocks of information on Churches of Christ in India, the Philippines, Indonesia, and Pakistan. **Users** (Visitors) for the one day were from **81 countries**.

The link to the **Home Page** is: <https://www.peacepublishers.org/>. The original URL of the site was [www.spiritofprophecies.com](http://www.spiritofprophecies.com). It was successfully changed to peacepublishers.org just before August 2.

Data on the use of the site is obtained from Google GA4, Web-Stat, and WIX Analytics. The average of the 3 sources for **Sessions** (Visits) recorded on the **one day of August 2** is..... **30,231**

WIX Analytics reports the **total TIME** the **27,329 Users** (Visitors), from **81 countries**, spent August 2 on the site as .....**1,293 hours**

This is equivalent to **53.88 days of 24 hours**.

Through the Internet, that **one day of 24 hours, August 2, 2024**, was multiplied to the equivalent of **53.88 full 24-hour days of non-stop Evangelism and Spiritual Instruction**. No lunches or coffee breaks!

Google Campaigns GA4 reports the **cost per Session** to be **\$0.01**, for a **Total Cost** of ..... **\$302.31**

Thus, the **cost of each of the 53.88 full 24-hour days** was..... **\$5.61**

Effectively, we had an **audience of 27,329 unique people** (Users) on the **one day** of August 2, 2024. After leaving for an undetermined time, **2,902 Repeat Visits** were made that same day by an undetermined number of them. Those two numbers add up to 30,231 Sessions. Almost the entire **audience** would be “**unconverted souls.**” Perhaps a large percentage would be people entangled with “**IDOLS.**” There are approximately **3.1 billion such people** in the world today. AI Copilot Microsoft

We sow. God gives the increase. In due time, each of those 27,329 Users will be judged, and **opportunities** for learning and obeying the “*Gospel of Salvation*” will be taken into consideration, according to my understanding. All who make this work possible collaborate to provide **opportunities**. I am honored to participate in it.

With brotherly love and appreciation,

Dewayne Shappley
