

## ***Brief Report***

From Dewayne, Rita and Antonio Shappley

Feb. 18, 2020

### **Kiara Karina Shappley is baptized Sunday morning, Feb. 16, 2020, in Plantation, Florida**

**Kiara** is the thirteen and half year-old daughter of **Antonio** and **Irelis Shappley**. Making the momentous decision to put on Christ in baptism, she, together with her father, requested that I baptize her. A precious and unforgettable honor, to be sure.

Antonio directs the singing every six weeks, or so, for the West Broward, Plantation, Florida congregation, and was scheduled to direct for the Sunday of Feb. 16. Before the service, I informed Bro. Michael Hursey, elder, of Kiara's decision and asked him to accompany us when the moment came to go forward. He did so, together with Kiara, myself and Rita. Bro. Hursey then made known to the congregation Kiara's desire, and, from there, she made the "*good confession*" before those present, and we proceeded with the baptism.

The following is a link to a Google Album with photos and videos of the baptism.

The Shappley families wish, thus, to share our joy of Kiara's baptism with you, who so faithfully make possible our works in the Kingdom of God and Christ.
