### Additional information about baptisms in Piura, Peru

We reported three baptisms. There were actually...

### Eight baptized in Piura, Peru through studies on Editorial La Paz

This information was received in an e-mail, dated June 23, 2020, from Katherine Lazarte. Ten photographs were included in the e-mail.

Those baptized are:

**Katherine Lazarte**, 24 years old, married, with two children.

**Harold Ato**, Katherine's husband.

**Sally Ojeda**, Katherine's sister. Thirty plus years old. Five children.

**Joaquín**, 14 year old son of Sally.

**Noami**, 16 year old daughter of Sally.

**Elizabeth Silva**, Katherine's sister. Single mother, with four children.

**Paola**, Elizabeth's mother.

**Cruz Abad**, Paola's sister.

Katherine writes: *"I often go on your Web Site, and, to the present, I only feel joy, peace, and tranquility when I read your studies. Besides the kindness, humility, and reverence to God with which the Word is expounded. And, to corroborate, I always compare them with my Bible. To date, I have not found anything of a doubtful nature. On the contrary, very edifying."*

Thinking you might be interested in the photographs, I include the ten as attachments.

With brotherly love, in Christ, to whom all glory is given for the power of His Word,
