

# Brief Report

From Dewayne, Rita, and Antonio Shappley

July 19, 2021

Dear Brethren, just a few lines to inform you we are in the process of preparing two large shipments for churches in Nicaragua (180 congregations) and Venezuela (about 150 congregations). Initial steps are being taken for possible shipments to the Dominican Republic and a congregation in Colombia.

I have added two more articles to the new, all-English site Spirit of Prophecies ([www.spiritofprophecies.com](http://www.spiritofprophecies.com)), bringing the total to 31.

***“A lot of fear” in Faceoffs with “Bad Thoughts.”*** The troubling, painful state of a sister in Christ who asked for help via an E-mail. <https://www.spiritofprophecies.com/bad-thoughts-christians-have-remedy>

***“NASA was able to recreate the origins of life and the results are shocking.”*** The title of an article in Fox News. Full of suppositions and speculations, many stated as facts. My analysis is rather thorough, I think, highlighting a classic example of how unqualified media collaborates with suppositional science, causing credulous minds to accept the unproven as fact. <https://www.spiritofprophecies.com/nasa-recreates-origins-of-life-unproven>

With brotherly love and appreciation, in the Lord,

Dewayne Shappley
