

REPORT

From Dewayne, Rita, and Antonio Shappley

August 18, 2021

Good morning, brothers and sisters in Christ. It is 11:02 here in Tamarac, Florida. Just finished printing 2,000 copies of the tract, in Spanish, *"Is Your Baptism Valid Before God?"* Part of about 120,000 tracts we are planning to send to evangelists and churches in **Nicaragua** and **Honduras**. Last Saturday, Antonio and I folded 30,000 tracts, and have about 50,000 more ready to fold. Antonio printed the greater part of these and continues to print as his busy schedule allows. We expect to send another large shipment to **Venezuela** within the next 2 or 3 weeks.

While the printer was working, I looked at the stats on the Internet sites and saw that a person in **India** had just come on the Spirit of Prophecies English site. It was 10 p. m. over there. He, or she, remained on the site for at least 30 minutes. The Google Realtime report keeps tabs on a visitor for a limit of 30 minutes though the person might stay on the site for much longer. In that interim, a person in the **Philippines** also came on, staying for at least 30 minutes. At 11 a. m., 5 were on the site: 3 from the **US** and 1 each from **Ghana** and **Nigeria**.

From May 21 to August 17, 2021, 871 users from 172 cities in 43 countries have accessed 4,493 Pages on www.spiritofprophecies.com. Some countries and their users: USA 582. Puerto Rico 51. Ireland 19. India 10. Nigeria 9. Sweden 9. Aruba 5.

There are now 37 titles on the site. The two most recently added are.

Regarding the **3 Spanish sites**, for July 2021 the data is: 67,095 visits, for a daily average of 2,164. For the year 2021 through July 31, the total visits are 447,661 and the total documents opened are 1,201,718.

The Global Sum for visits from January 1, 2003 through July 31, 2021 is 22,736,549, and for documents accessed is 42,183,522.

Some E-mails received. All in July, with the exception of three.

Worcester, Massachusetts. Pastor John Davis Rodríguez requests tracts. Aug. 3, 2021. *"May God bless you. By this means, I wish to inform you our church requests tracts to evangelize this city. We solicit, please, tracts in Spanish and English. There are many lives we still need to reach. Through personal evangelism and literature (tracts) we can continue reaching people for Christ.*

Before the trumpet sounds. We recognize your great labor and striving to help the church and its ministers reach people for Christ. God will surely reward you greatly for you have been a blessing to many. Your work is not in vain. Our Christian Missionary Church Way of Holiness, Inc. is located in the city of Worcester, Massachusetts. We will be thankful if you can help us. Pastor John Davis.”

The name of the church would normally identify a Pentecostal-type congregation. However, the wording of the request indicates at least some knowledge of the content of the tracts, etc., we offer. I directed John Davis to the Request Form Page

Tampa, Florida. July 30, 2021. The Church of the Only Truth requests tracts. *“We would like to obtain tracts. Thanks. May God continue to bless you. President Elizabeth Acevedo.”*

USA. July 28, 2021. Mardochee Pascal requests tracts. *“Good afternoon. My name is Mardochee Pascal and I am a child of God active in my congregation. I would like to know how I can obtain a quantity of tracts to use when I go out to evangelize. Please tell me how I can get some in full color. Thanks, and may God bless you!”*

Otavalo, Ecuador. July 23, 2021. Member in Ecuador teaches person in Puerto Rico. *“Good afternoon, brother. I am Israel Morales, of the Church of Christ in Otavalo Ecuador. I write to ask your help in contacting a soul in Puerto Rico who has been taught the gospel and desires to obey the gospel (be baptized). Could you help me? I would be very grateful.”*

Of course, we informed Israel how to find the congregation in Puerto Rico closest to where the person mentioned lives. No feedback yet on this.

Puerto San José, Escuintla, Guatemala. July 23, 2021. *“May the grace of our Lord Jesus Christ be with you, Bro. Homero, your family, and brothers in Christ. Blessed be the Creator for blessing you with his Word, which you share with the brotherhood desirous of learning more about the affairs of Almighty God. Brother, I take this opportunity to solicit the book you offer (on a portion of Revelation). If you could send us additional evangelistic material, it would be a great help for our work.”* Wenceslao Guttiz Hernández.

While we were producing material in Puerto Rico, we sent considerable quantities to Wenceslao. Rodolfo Pérez, another evangelist in Guatemala, also asked we send him the book mentioned. The cost for sending even one book is exorbitantly expensive. I am trying to find out if there is a shipping option for Guatemala like the one for Nicaragua that would open the door to sending a large shipment.

Coral Springs, Florida. July 23, 2021. *“I was on Facebook and saw the post for the “Bad Thoughts” article and read the article. It’s a great article!”* Antonio Shappley

“A Lot of Fear in Faceoffs with Bad Thoughts” is one of more than 30 titles available on the new all-English site begun May 21, 2021. <https://www.spiritofprophecies.com/bad-thoughts-christians-have-remedy>

Place not identified. July 18, 2021. *“May God bless you. I would like to know the price of the tracts. My name is Aracelly Enríquez. Thanks.”*

Sabana Grande, Puerto Rico. June 18, 2021. *“Please send 200 copies of the tract “Jesus calls us unto liberty.” God bless you.”* Catherine Silva, of the “First Lighthouse of Light Church, Inc.,” of the “Evangelical Christian Mission Movement.”

Names translated from Spanish. Rather rare to receive such a request from a Pentecostal-type church.

Buenos Aires, Argentina. June 17, 2021. *“Good evening. I would like to know how to obtain tracts to use in evangelization. I belong to the Integral Christian Church, in Buenos Aires, Argentina. We are a church begun recently. We are interested in obtaining all kinds of material useful for continuing to edify the body of Christ in our community. Many thanks and may the Lord continue strengthening and helping you in your work.”* Laura Valentina

Due to the coronavirus pandemic, the USPS has suspended service to a very long list of countries. For those like Laura and her congregation, there is the option, as I suggested to her, of printing the tracts themselves using the “JPEG” format we have made available for most. Just need a duplexing, color printer.

San Luis Potosí, México. March 29, 2021. *“God bless you, beloved brethren. My name is Salvador Simón Ramírez. We have been in communication previously and you helped me with books and other resources for the church. I would like to count on you again.”*
