75 boxes of food, medical supplies, clothes, and literature sent to Venezuela in September

There are 71 boxes in the two photographs. 4 more were added later. The boxes were packed Saturday, Sept. 18, 2021, by a team of 12 volunteers, supervised by Antonio, of the West Broward, Plantation, Florida Church of Christ. The total weight was approximately 3,200 pounds. The cost of shipping for each box was \$27.50. Contributions by the Bayamon, Puerto Rico Church of Christ covered \$900.00 of the total shipping cost.

As noted in the previous report, 10 of these boxes contained 50,400 tracts and 141 Bibles for evangelists and congregations in Venezuela.

The 75 boxes were taken Wednesday, Sept. 22, 2021, from the church building to the dock in Miami by the shipping company. About 3 weeks for delivery in Venezuela.
